ZUFI VENTURES

ENGINEERING / TRADING / GLOBAL SOURCING

Connecting global supply with business needs.

COMPANY PROFILE | OCTOBER 2026

About ZUFI VENTURES

ZUFI VENTURES is a Bangladesh-based engineering, trading, and global sourcing company, sourcing and supplying products, equipment, and specialized solutions for businesses and projects.

We connect local requirements with trusted international suppliers across aviation, pharmaceuticals, industrial operations, commercial businesses, and projects.

Our focus

Reliable sourcing, quality-focused solutions, competitive value, and long-term business partnerships.

A straightforward sourcing process

Share your requirements

Product details, technical specifications, quantities, and delivery destinations.

Find the right source

Review relevant sourcing options against your requests.

Coordinate the details

Discuss availability, product fit, and purchasing arrangements.

ZUFI VENTURES
